

Grandstream GRP2614 Desk Phone

Carrier-Grade IP Phone

GRP2614

The GRP2614 is a 4-line carrier-grade IP phone designed for mass deployment and easy management. It features dual LCD screens with up to 40 virtual multi-purpose keys, integrated dual-band Wi-Fi, Bluetooth support, dual Gigabit ports with PoE, and enterprise-grade security features. Supported by Grandstream's Device Management System, the GRP2614 is ideal for busy desktop workers who need a reliable, easy-to-deploy voice platform.
